

YOUR EMOTIONAL INTELLIGENCE PROFILE

(Emotional Quotient Inventory (EQi) with Webinar and Feedback)

Increasingly managers and leaders have come to recognise the importance of understanding and developing their own Emotional Intelligence as they assume key roles in their organisation.

Participants will have the opportunity to join a 30-minute webinar, followed by administration of the Bar-On EQi and a one-hour feedback session. This will raise their awareness and provide a useful profile for further development.

WEBINAR

30-minute live or recorded webinar, covering:

- History of emotional intelligence
- Understanding human emotions
- Business value of emotional intelligence
- Impact of emotional intelligence on leadership and management behaviour
- Introduction to the EQi and its key measures

EQI AND FEEDBACK

- Online administration of Bar-On Emotional Quotient Inventory (EQi) developed by Reuven Bar-On
- Full confidential report sent direct to you in pdf format
- One-hour telephone feedback from accredited EQi consultant
- Top tips for further development

KEY OUTPUTS

- Clear understanding of emotional intelligence and its impact on organisational performance
- Recognition of the role of emotional intelligence on effective leadership and engagement of others
- Personal EQi with full report, identifying strengths and development areas
- In-depth feedback with constructive suggestions for further development

ORGANISATIONAL VALUE

- Raised awareness of the importance of emotional intelligence on leadership and management behaviour, as well as customer relationships

PERSONAL VALUE

- Deeper knowledge of the importance of emotional intelligence on leadership, management behaviour and engagement
- Detailed personal profile and top tips for further development
