‘Leaders in Waiting’

A leadership development programme for those not currently at people leader level such as apprentices and aspiring managers.

For up to 12 Delegates and delivered over 2 Days to allow for experiential learning and presentations.

The programme covers:

- Foundation skills for new managers
- Effective behaviours and communication
- Active listening and building rapport
- Time and self-management and building resilience
- Presentation skills including role play presenting styles and feedback

For an informal conversation to discuss how we might be able to support your organisation, please contact us.

Bolt-On

Additional training support programmes can be added to further tailor the active leadership development needs or where the delegate or delegates might benefit from further support such as 1 to 1 coaching.

See our **Coaching Surgery Day Package** for a cost-effective solution to coaching individuals and teams.
